**STATEMENT OF COMMISSIONER GEOFFREY STARKS ON HIS DEPARTURE
FROM THE FCC**

WASHINGTON, June 4, 2025—Federal Communications Commission Commissioner Geoffrey Starks issued the following statement:

“As I previously announced at the May open meeting, my time at the Commission is coming to a close. I will be leaving the Commission at the end of the week, June 6, 2025.

Serving as a Commissioner has been the highlight of my career. I am immensely proud of all that we have achieved together. I want to thank my team, and all of the parties that work alongside the Commission – from industry to public sector advocates – for their collaboration and partnership. Most importantly, I want to thank the staff of the Commission – in my opinion, the very best of public servants. And, of course, thank you to all of my fellow Commissioners, past and present.

Finally, I want to thank my amazing family for their love and support as I worked on behalf of the American people.”
