Nature and Scope of Investigation:

To investigate whether any persons, partnerships, corporations, or others have engaged or are engaging in inviting, initiating, participating in, or facilitating collusion or coordination in any way with any other market participant, whether through private communications, public statements, sharing information, or other actions, in violation of Section 5 of the Federal Trade Commission Act, 15 U.S.C. § 45, as amended, or any other statutes or rules enforced by the Commission; and to determine the appropriate action or remedy, including whether injunctive and monetary relief would be in the public interest.

The Federal Trade Commission hereby resolves and directs that any and all compulsory processes available to it be used in connection with any inquiry within the nature and scope of this resolution for a period not to exceed ten years.
